PROFESSIONAL SUMMARY

A solution-oriented IT professional with experience in IT admin & technical support across Nigeria & Mauritius. Combining a Master's in Management with a solid background in IT/Business Information Systems, I have led IT operations, troubleshooting, & system optimization from IT Technician to IT Systems Manager. Skilled in Office 365, Microsoft Server, Google Apps, and certified as a Google IT Support Specialist, I excel in stakeholder communication & delivering scalable, reliable solutions that enhance performance and align IT services with business goals. I am seeking IT related roles or operations roles where technical expertise and strategic leadership drive tangible outcomes.
